#### What Ofsted Say

“

The manager and staff know children well. Staff gather useful information about children before they start which helps children settle quickly. As a result, children are confident and secure in the nursery. Children eagerly enjoy an exciting range of activities in the outdoor area. This supports the development of those children who learn best outdoors. Children develop good communication and language skills. Staff encourage children to share their experiences, for example, as they talk about the smells and textures of the plants and wood they find. Staff create opportunities for children to learn new skills and be active learners. Babies and toddlers show this when they confidently clap and bang drums to follow created rhythms. Children behave well and staff are good role models. Older children demonstrate they know to behave as they point to the rules on display to remind their peers not to run inside.

## Our Nursery Aims

- ★ Provide an environment which is clean, safe, secure and welcoming, where learning takes place through play.
- ★ Ensure that your child will get a balance of exercise, rest, fresh air and healthy food.
- ★ Provide a positive enabling environment where children can explore and experiment.
- ★ Provide an environment where equal opportunities for all takes place regardless of gender, race, culture, religion or ability.
- ★ Provide a varied and enjoyable curriculum that focuses on the importance of nurturing your child's motivation to learn.
- ★ Be dynamic and flexible, changing in response to your child's developmental needs.
- ★ To link indoors, outdoors and the wider world of people, places and events.
- ★ Prepare your child for school education with confidence and a positive approach to learning.

## Early Years Foundation Stage

The Early Years Foundation Stage (EYFS) is how the Government and early year's professionals describe the time in your child's life between birth and the age of five. This is a very important stage as it helps your child get ready for school, as well as preparing them for their future learning and successes. At Mini Treasures nurseries we follow the EYFS Framework which meets the individual needs of all the children in our care.

- ★ **Personal, Social and Emotional Development**
- ★ **Physical Development**
- ★ **Communication and Language**
- ★ **Literacy**
- ★ **Mathematics**
- ★ **Understanding the World**
- ★ **Expressive Arts and Design**

“

MY daughter has been attending Mini Treasures since June and she still gets excited every morning to be going to see her friends there. Her settling in sessions were full of fun and they really made her feel welcome. They were accommodating with her dietary needs too. I'm very happy with the nursery and staff!

# Day Nurseries in Morden & Camberwell

Each of our day nurseries ensures your child receives quality childcare and the attention they need to develop. Our settings in Morden and Camberwell offer parents peace of mind knowing their child is being well looked after. Each one of our nurseries are proud to be rated 'Good' by Ofsted and we continue our high standards of childcare.

### A Unique Child

Every child is a unique child, who is constantly learning and can be resilient, capable, confident and self-assured.

Within our nurseries we recognise individual personalities, interests and learning styles and acknowledge that our children follow personal pathways in their learning and develop at different rates. We respect and celebrate the diversity of our children and families by holding a variety of events that teach our children about the lives of others within the local and wider community.

“

Lovely small nursery located in the Morden Hall Park, friendly and attentive staff, lots of activities organised for the little ones!

# Settling In At Mini Treasures

We offer two free settling in sessions to enable you and your child to bond with your child's key worker. This is the individual who will guide you through the settling in process and will be responsible for your child's welfare and development. They will be your main point of contact.

Although you may view your child's first day at nursery as a daunting experience, be assured our nursery nurses are experienced at helping you and your child settle in. There are some tips below on how to make this an enjoyable time and as easy as possible for both you and your child.

We will arrange a settling in session with you. This session will enable you and your child to establish a positive relationship with the nursery team.

We will spend quality time getting to know your child on their first day, providing relaxed opportunities for them to choose what they play with, their personality, likes and dislikes. This means that their key worker will then be equipped with the knowledge to ensure they can welcome and settle your child into nursery life with all the information you have offered. No question is ever a silly question and we encourage families to take an active role in nursery life.

During the session you will be given a parent induction whilst your child is playing with their key worker. This is a short time spent with you to discuss some of our key policies and procedures.

Try not to be too anxious about leaving your child if he or she is crying. Our staff are experienced in dealing with these situations and have strategies to help them. We are always happy to arrange extra settling-in sessions if either you or we feel they would be beneficial.

If this is the first time your child is going to be separated from you, you could help them prepare by spending short periods of time apart in the run up to their first day.

In the weeks prior to the 'big day' talk to your child about the new experience they are about to embark on, mentioning all the new and exciting things they will be doing.

Mini Treasures have an open door policy and should you wish to come and spend some time in the nursery with your little one you are always welcome.
